

Diction

Refers to the writer's or speaker's distinctive vocabulary, style and expression.

Another definition is the choice and use of words, phrases, sentence structure, and figurative language in a literary work.

Essentially, diction is word choice.

	Tell your parent	Tell your neighbour	Write a poem
You ran over your neighbour's dog			
	Tell your parent	Tell your best friend	Write a poem
You found the love of your life			
	Tell your sibling	Tell your coworker who also wanted that job	Write a poem
You got a promotion with lots of extra money!!!
